Description	Experience an unforgettable day in Chamonix Mont Blanc, combining iconic alpine views, thrilling heights, and active discovery. This unique tour includes a guided morning visit to the Aiguille du Midi, followed by a self-guided electric bike ride in the afternoon. Morning: Aiguille du Midi with a Local Guide Your day begins in Chamonix, at the foot of Mont Blanc. Accompanied by a professional guide, you'll board the famous Aiguille du Midi cable car, one of the highest in Europe, reaching 3,842 meters in just 20 minutes. At the top, take in the breathtaking panoramic views of the French, Swiss, and Italian Alps. Your guide will lead you through the various viewing platforms, sharing fascinating insights into the history, geology, and legendary alpine expeditions associated with this exceptional site. And for the brave, don't miss the "Step into the Void" – a glass box suspended above a 1,000-meter drop for a once-in-a-lifetime photo op. Afternoon: Self-Guided Electric Bike Ride After a break for lunch in Chamonix (free time), you'll pick up your electric bike for a relaxed afternoon exploring the valley at your own pace. With pedal assistance, you can enjoy the beauty of the area effortlessly — ride along the Arve River, pass through charming alpine hamlets, or head toward panoramic spots with stunning views of Mont Blanc. You'll receive a map with suggested routes tailored to different levels and interests. Whether you're in the mood for a gentle ride or a more adventurous outing, this self-guided e-bike experience is the perfect way to immerse yourself in the alpine landscape.
